SUPPLEMENTARY INFORMATION:

Executive Summary

I. Purpose of this Regulatory Action

The purpose of this rule is to provide the public with information necessary to file a claim against the United States Air Force for money damages and to notify the public of the procedures used to collect money from the public for damages to property under the control of the United States Air Force. Additionally, it is to provide the public with information about proposed changes and deletions concerning the settlement and payment of claims under the Military Personnel and Civilian Employee's Claims Act for incident to service loss and damage to personal property.

II. Summary of the Major Provisions of this Regulatory Action

This part describes the process and procedures by which claims against the Air Force will be addressed, including who are proper claimants, how, where and when to file a claim, what claims are payable, how the Air Force will adjudicate claims and how to appeal unfavorable decisions. It also describes the process the Air Force will use for asserting claims against persons who damage Air Force property.

Changes: This part has been substantially revised and should be reviewed in its entirety to determine the changes made.

Deletions: This part has been substantially revised and should be reviewed in its entirety to determine the deletions made.

III. Costs and Benefits

The regulations contained herein require the public who wish to file a claim against the Air Force to substantiate their loss, which may result in minor or incidental costs to the claimant. Revised regulations pertaining to how the Air Force asserts claims for damage to Air Force property may result in increased costs to those who cause said damage. The benefits of these regulations include increased safeguards to ensure public funds are not expended for fraudulent claims and to ensure the U.S. government receives adequate compensation for damages to its property wrongfully caused by others.

Retrospective Review

This rule is part of DoD's retrospective plan, completed in August 2011, under Executive Order 13563, "Improving Regulation and Regulatory Review," DoD's full plan and updates can be accessed at:

<http://www.regulations.gov/#!docketDetail;dct=FR+PR+N+O+SR;rpp=10;po=0;D=DOD-2011-OS-0036>.

Administrative Procedure Act: The Air Force has determined that the Administrative Procedure Act, 5 U.S.C. 553, requires notice of proposed rulemaking and an opportunity for public participation in connection with these correction amendments and deletions. In this regard, the Air Force notes that such notice and opportunity for comment is necessary because these correction amendments and deletions are not related solely to interpretative rules, general

statements of policy, rules of agency organization, procedure, or practice, nor is there good cause to find that notice and public procedure thereon are impracticable, unnecessary or contrary to the public interest.

Regulatory Procedures

Executive Order 12866, “Regulatory Planning and Review” and Executive Order 13563, “Improving Regulation and Regulatory Review”

Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distribute impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. The Department of Air Force has assessed this rule and determined this rule to be a “non-significant regulatory action.”

Unfunded Mandates Reform Act (Sec. 202, Pub. L. 104-4)

Section 202 of the Unfunded Mandates Reform Act of 1995 (UMRA) (Pub. L. 104-4) requires agencies assess anticipated costs and benefits before issuing any rule whose mandates require spending in any 1 year of \$100 million in 1995 dollars, updated annually for inflation. In 2014, that threshold is approximately \$141 million. This rule will not mandate any requirements for State, local, or tribal governments, nor will it affect private sector costs.

Public Law 96-354, “Regulatory Flexibility Act” (5 U.S.C. 601)

It has been certified that this rule is not subject to the Regulatory Flexibility Act (5 U.S.C. 601) because it would not, if promulgated, have a significant economic impact on a substantial

number of small entities. Therefore, the Regulatory Flexibility Act, as amended, does not require us to prepare a regulatory flexibility analysis.

Public Law 96-511, “Paperwork Reduction Act” (44 U.S.C. Chapter 35)

This rule does not impose reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995.

Executive Order 13132, “Federalism”

Executive Order 13132 establishes certain requirements that an agency must meet when it promulgates a proposed rule (and subsequent final rule) that imposes substantial direct requirement costs on State and local governments, preempts State law, or otherwise has Federalism implications. This rule will not have a substantial effect on State and local governments.

§842.25 Claims payable.

Claims may be payable for loss of or damage to tangible personal property when the damage occurs incident to service. For loss of or damage to property to be incident to service, it must

occur at a place and time that is connected to the service of an active duty military member or employment of a civilian employee.

(a) *Authorized Location.* Claims are only payable when the claimed property is located in an authorized location. There must be some connection between the claimant's service and the location of the claimed property. Duty locations where personal property is used, stored or held because of official duties are authorized places. Other authorized places may include:

(1) Any location on a military installation not otherwise excluded.

(2) Any office, building, recreation area, or real estate the Air Force or any other DoD element uses or controls.

(3) Any place a military member is required or ordered to be pursuant to their duties and while performing those duties.

(4) Assigned Government Housing or Quarters in the United States or provided in kind. The Military Personnel and Civilian Employees' Claims Act specifically prohibits payment for loss of or damage to property in quarters within the US unless the housing or quarters are assigned or otherwise provided in kind. Base housing that has not been privatized is generally considered assigned or provided in kind wherever it is located.

(i) Privatized Housing or Quarters within the United States subject to the Military Housing Privatization Initiative located within the fence line of a military installation or on federal land in which the DoD has an interest is considered assigned or otherwise provided in kind for the purposes of the Military Personnel and Civilian Employees' Claims Act.

(ii) Reserved.

(5) Housing or Quarters outside the United States. Outside the US, authorized off-base quarters, as well as assigned quarters, including quarters in US territories and possessions, are authorized

places. The residence of a civilian employee is not an authorized location if the employee is a local inhabitant.

(6) Temporary Duty Quarters (TDY) and locations en route to the TDY destination.

Significant deviations from the direct travel route are not authorized locations.

(7) Permanent Change of Station (PCS) temporary quarters and locations enroute to the PCS destination. Significant deviations from the direct travel route are not authorized locations.

(8) Entitlement and Benefit Locations. For these locations to be authorized, the claimant must be using them for the intended purpose and the property must be reasonably linked to that purpose.

(9) Locations where Personal Property shipped or stored at government expense are found. Government facilities where property is stored at the claimant's expense or for their convenience without an entitlement are not authorized places.

(b) *Payable Causes of Loss Incident to Service.* Because the PCA is not a substitute for private insurance, loss or damage at quarters or other authorized locations may only be paid if caused by:

(1) An unusual occurrence;

(2) Theft, vandalism or other malfeasance;

(3) Hostile action;

(4) A carrier, contractor, warehouseman or other transportation service provider storing or moving goods or privately owned vehicles at government expense;

b. Remove paragraphs (aa), (bb), (cc), and (dd).

* * * * *

(d) The loss is recovered or recoverable from an insurer or other source unless the settlement authority determines there is good cause for not claiming against the insurer.

* * * * *

(j) It is an appraisal fee, unless the settlement authority requires one to adjudicate the claim.

* * * * *

(m) It is an item acquired, possessed, shipped, or stored in violation of any U.S. Armed Force directive or regulation.

(n) It is an item fraudulently claimed.

* * * * *

(u) It is an inconvenience expense.

* * * * *

(y) It is damage to, or loss of a rental vehicle which TDY or PCS orders authorized.

(z) It is a cost to relocate a telephone or mobile or manufactured home due to a government ordered quarters move.

§842.34 Advance payments.

Subpart P sets forth procedures for advance payments.

30. Amend newly redesignated §842.35 by revising paragraphs (a) and (c) to read as follows:

§ 842.35 Statute of limitations.

(a) A claim must be filed in writing within 2 years after it accrues. It is deemed to be filed upon receipt by The Judge Advocate General, AFLOA/JACC, or a Staff Judge Advocate of the Air Force. A claim accrues when the claimant discovers or reasonably should have discovered the existence of the act that resulted in the claimed loss. The same rules governing accrual pursuant to the Federal Tort Claims Act should be applied with respect to the Military Claims Act. Upon receipt of a claim that properly belongs with another military department, the claim is promptly transferred to that department.

* * * * *

(c) A claim filed after the statute of limitations has run is considered if the U.S. is at war or in an armed conflict when the claim accrues or if the U.S. enters a war or armed conflict after the claim accrues, and if good causes shows how the war or armed conflict prevented the claimant from diligently filing the claim within the statute of limitations. But in no case will a claim be considered if filed more than two years after the war or armed conflict ends.

31. Revise newly redesignated §842.37 to read as follows:

§ 842.37 Who are proper claimants.

(a) Citizens and inhabitants of the United States. U.S. inhabitants includes dependents of the U.S. military personnel and federal civilian employees temporarily outside the U.S. for purposes of U.S. government service.

(b) U.S. military personnel and civilian employees. NOTE: These personnel are not proper claimants for claims for personal injury or death that occurred incident to their service.

(c) Foreign military personnel when the damage or injury occurs in the U.S. Do not pay for claims under the MCA for personal injury or death of a foreign military personnel that occurred incident to their service.

(1) MCA claims arising from noncombat activities in the U.S. are not covered by the FTCA because more elements are needed to state an FTCA claim than are needed to state a claim under the MCA for noncombat activities. All FTCA claims are based on elements of traditional tort liability (i.e., duty, breach, causation, and damages); that is, they are fault based. Noncombat activity claims under the MCA are based solely on causation and damages. Because MCA claims for noncombat activities are not fault based, they are not covered by the FTCA.

(2) Claims for incident-to-service damage to vehicles caused by the negligence of a member or employee of the armed forces acting in the scope of employment are paid under the MCA, instead of the Military Personnel and Civilian Employees' Claims Act.

- (3) The Public Vessels Act, 46 U.S.C. 31101 and following.

- (d) Arises out of assault, battery, false imprisonment, false arrest, malicious prosecution, or abuse of process. EXCEPTION: Unless such actions were committed by an investigative or law enforcement officer of the U.S. who is empowered by law to conduct searches, seize evidence, or make arrests for violations of federal law.

- (k) Is for a taking of property, e.g., by technical trespass or over flight of aircraft.
- (l) Is for patent or copyright infringement.
- (m) Results wholly from the negligent or wrongful act of the claimant.

(n) Is for the reimbursement of medical, hospital, or burial expenses furnished at the expense of the U.S., either directly or through contractual payments.

Do not deny claims solely on this exception without the prior approval of USAF/JACC. Claims under the noncombat activities provision of this subpart may be paid even if this paragraph applies.

Is based on the exercise or performance of, or the failure to exercise or perform, a discretionary function or duty on the part of a federal agency or a federal government employee, whether or not the discretion involved is abused. Do not deny claims solely on this exception without the prior approval of USAF/JACC. EXCEPTION: Claims under the noncombat activities provision may be paid even if this paragraph applies.

(r) Is not in the best interests of the U.S., is contrary to public policy, or is otherwise contrary to the basic intent of the MCA. Examples include, but are not limited to, when a claimant's criminal conduct or failure to comply with a nonpunitive regulation is a proximate cause of the loss. Prior approval must be obtained from USAF/JACC before denying claims solely on this exception.

35. Revise newly redesignated §842.41 to read as follows:

§842.41 Applicable law.

This paragraph provides the existing law governing liability, measurement of liability and the effects of settlement upon awards.

(a) Many of the exclusions in this subpart are based upon the wording of 28 USC §2680 or other federal statutes or court decisions interpreting the Federal Tort Claims Act. Federal case law interpreting the same exclusions under the Federal Tort Claims Act is applied to the Military Claims Act. Where state law differs with federal law, federal law prevails.

(b) *Extent of liability.* Where the claim arises is important in determining the extent of liability.

(1) When a claim arises in the United States, its territories or possessions, the same law as if the claim was cognizable under the FTCA will be applied.

(2) *Claims in foreign countries.* In claims arising in a foreign country, where the claim is for personal injury, death, or damage to or loss of real or personal property caused by an act or omission alleged to be negligent, wrongful, or otherwise involving fault of military personnel or civilian officers or employees of the United States acting within the scope of their employment, liability or the United States is determined according federal case law interpreting the FTCA.

Where the FTCA requires application of the law of the place where the act or omission occurred, settlement authorities will use the rules set forth in the currently adopted edition of the

Restatement of the Law, published by the American Law Institute, to evaluate the liability of the Air Force, subject to the following rules:

(i) Foreign rules and regulations governing the operation of motor vehicles (rules of the road) are applied to the extent those rules are not specifically superseded or preempted by United States military traffic regulations.

(ii) Absolute or strict liability will not apply for claims not arising from noncombat activities.

(iii) Hedonic damages are not payable.

(iv) The collateral source doctrine does not apply.

(v) Joint and several liability does not apply. Payment will be made only upon the portion of loss, damage, injury or death attributable to the Armed Forces of the United States.

(vi) Future economic loss will be discounted to present value after deducting for federal income taxes and, in cases of wrongful death, personal consumption.

(c) Do not approve payment for:

(i) Punitive damages.

(ii) Cost of medical or hospital services furnished at the expense of the United States.

(iii) Cost of burial expenses paid by the United States.

(d) *Settlement by insurer or joint tortfeasor.* When settlement is made by an insurer or joint tortfeasor and an additional award is warranted, an award may be made if both of the following are present:

(1) The United States is not protected by the release executed by the claimant.

(2) The total amount received from such source is first deducted.

36. Amend newly redesignated §842.42, by revising paragraphs (a) and (c) to read as follows:

§ 842.42 Appeal of final denials.

(ii) Settle claims for more than \$100,000, pay the first \$100,000, and report the excess to the Department of the Treasury for payment.

(iii) Deny claims in any amount.

(2) The Judge Advocate General, Deputy Judge Advocate General, Director of Civil Law, and the Chief, Deputy Chief and Branch Chiefs, Claims and Tort Litigation Staff are FCCs and have delegated authority to:

(3) The SJAs of the Air Force component commander of the U.S. geographic combatant commands are FCC for claims arising in their respective combatant command AORs and may deny claims of \$50,000 or less and will pay claims filed in any amount when payment is for \$50,000 or less.

(b) *Redelegating settlement authority.* A settlement authority appointed as a FCC in paragraph (a) of this section may appoint one or more subordinate judge advocates or civilian attorneys to act as FCC, and redelegate all or part of that settlement authority to such persons.

(c) *Settlement negotiations.* A settlement authority may settle a claim in any sum within its settlement authority, regardless of the amount claimed. Send uncompromised claims in excess of the delegated authority through claims channels to the level with settlement authority.

Unsuccessful negotiations at one level do not bind higher authority.

(d) *Special exceptions.* Do not settle claims for medical malpractice without HQ USAF/JACC approval.

39. Amend newly redesignated §842.48, by revising paragraph (a) to read as follows:

§ 842.48 Filing a claim.

(a) *How and when filed.* A claim is filed when the Air Force receives from a claimant or authorized agent a properly completed SF 95 or other signed and written demand for money damages in a sum certain. A claim may be presented orally only if oral claims are the custom in the country where the incident occurred and the claimant is functionally illiterate. In any case where an oral claim is made, claims personnel must promptly reduce the claim to writing with all particulars carefully noted. A claim belonging to another agency is promptly transferred to the appropriate agency.

* * * * *

40. Revise newly redesignated §842.49 to read as follows:

§ 842.49 Advance payments.

Subpart P outlines procedures for advance payments.

41. Amend newly redesignated §842.50, by revising paragraph (a) to read as follows:

42. Amend newly redesignated §842.52, by revising paragraphs (a) and (b) to read as follows:

§ 842.52 Who are proper claimants.

(a) Foreign nationals. In a wrongful death case, if the decedent is an inhabitant of a foreign country, even though his or her survivors are U.S. inhabitants, the FCA will apply.

(b) US nationals residing abroad, unless the claim arises from a benefit, privilege or service provided to them by the US Government, or they reside in the foreign country primarily because they are employed directly by the United States, or sponsored by or accompanying such a person, or employed by a US civilian contractor in furtherance of a contract with the US Government, or sponsored by or accompanying such a person.

* * * * *

44. Amend newly redesignated §842.54 by:

- a. Revising paragraph (a).
- b. Removing paragraph (b).
- c. Redesignating paragraph (c) as paragraph (b).

The revision reads as follows:

§ 842.54 Payment criteria.

The following criteria is considered before determining liability.

(a) The incident causing the damage or injury must arise in a foreign country and be caused by noncombatant activities of the US Armed Forces or by the negligent or wrongful acts of civilian employees or military members of the Armed Forces.

(1) It is a prerequisite to US responsibility if the employee causing the damage or injury is a local inhabitant, a prisoner of war, or an interned enemy alien. These persons are “employees” within the meaning of the Foreign Claims Act (FCA) only when in the service of the United States.

Ordinarily, a slight deviation as to time or place does not constitute a departure from the scope of employment. The purpose of the activity and whether it furthers the general interest of the United States is considered. If the claim arose from the operation or use of a US Armed Forces vehicle or other equipment by such a person, pay it provided local law imposes liability on the owner of the vehicle or other equipment in the circumstances involved.

(2) It is immaterial when the claim arises from the acts or omissions of any US Armed Forces member or employee not listed in §842.64(c)(1) of this part. The Act imposes responsibility on the United States when it places a US citizen or non-US citizen employee in a position to cause the injury or damage. If the cause is a criminal act clearly outside the scope of employment, ordinarily pay the claim and consider disciplinary action against the offender.

* * * * *

45. Amend newly redesignated §842.55 by:

- a. Revising paragraphs (a), (c), (f), (h), (m), (o) and (q).
- b. Adding paragraphs (s) and (t).

The revisions and additions read as follows:

§ 842.55 Claims not payable.

A claim is not payable when it:

- (a) Is waived under an applicable international agreement, or pursuant to an applicable international agreement, a receiving state should adjudicate and pay the claim. However, if a foreign government subject to such an international agreement disputes its legal responsibilities

under the agreement, and the claimant has no other means of compensation, USAF/JACC may authorize payment.

* * * * *

(c) Is for attorney fees, punitive damages, a judgment or interest on a judgment, bail, or court costs. FCC should consider providing early notice to claimants that attorney fees are not payable as an item of damage under the FCA.

* * * * *

(f) Is a paternity claim.

* * * * *

(h) Results wholly from the negligent or wrongful act of the claimant or agent.

* * * * *

(m) Results from an action by an enemy, or directly or indirectly from an act of the US armed forces in combat, except that a claim may be allowed if it arises from an accident or malfunction incident to the operation of an aircraft of the US armed forces, including its airborne ordnance, indirectly related to combat, and occurring while preparing for or going to, or returning from a combat mission.

* * * * *

(o) Arises out of personal activities of family members, guests, servants, or activities of the pets of members and employees of the US Armed Forces.

* * * * *

(q) Is covered under US admiralty or maritime laws, unless authorized by The Judge Advocate General or Chief, Claims and Tort Litigation Staff.

* * * * *

(s) Is not in the best interest of the United States, is contrary to public policy, or otherwise contrary to the basic intent of the FCA. Claims considered not payable on this basis will be forwarded to USAF/JACC for final decision.

(t) Is presented by a national, or a corporation controlled by a national, of a country at war or engaged in armed conflict with the United States, or any country allied with such enemy country unless the settlement authority determines the claimant is, and at the time of the incident was, friendly to the United States. EXCEPTION: A prisoner of war or interned enemy alien is not excluded from filing a claim for damage, loss, or destruction of personal property within the U.S. Armed Forces' custody if the claim is otherwise payable.

46. Revise newly redesignated §842.56 to read as follows:

§842.56 Applicable law.

This section provides guidance to determine the applicable law for assessment of liability.

(a) In adjudicating FCA claims, settlement authorities will follow the law, customs, and standards of the country where the claim arose, except:

(1) Causation is determined based upon general principles of U.S. tort law found in federal case law and standard legal publications.

(2) Joint and several liability does not apply. Payment is based solely on the portion of loss, damage, injury or death attributable to the U.S. Armed Forces.

(3) If lost income or lost profits is recoverable under the law where the claim arose, they shall be limited to net lost income or net lost profits, taking into account appropriate deductions for taxes, regular business expenditures, and in the case of wrongful death, personal consumption during the loss period.

(b) Settlement authorities will not deduct compensation from collateral sources except for:

(1) Direct payments by a member or civilian employee of the U.S. Armed Forces for damages (not solatia).

(2) Any payments recovered or recoverable from an insurance policy when premiums were paid, directly or indirectly, by the United States, or a member or civilian employee of the U.S. Armed Forces; or when the member or employee has the benefit of the insurance (such as when a U.S. member or employee borrows a vehicle of a local national, and the vehicle carries insurance for the benefit of any driver with permission to drive the vehicle).

47. Revise newly redesignated §842.57 to read as follows:

§ 842.57 Reconsideration of final denials.

This section provides the procedures used to reconsider a final denial.

(a) An FCC has the inherent authority to reconsider a final decision. The mere fact that a request for reconsideration is received does not obligate the settlement authority to reopen the claim.

(b) The FCC does not mention a reconsideration right in the original denial letter.

(c) A settlement authority must reconsider the final action when there is:

(1) New and material evidence concerning the claim or,

(2) Obvious errors in the original decision.

(d) The FCC must document in the claim file the reason for reconsideration.

(e) A FCC above the original settlement authority may direct a claim be forwarded to a higher FCC for reconsideration.

48. Revise newly redesignated §842.58 to read as follows:

§ 842.58 Right of subrogation, indemnity, and contribution.

The Air Force has all the rights of subrogation, indemnity and contribution, as local law permits.

However, settlement authorities will not seek contribution or indemnity from US military

members or civilian employees whose conduct gave rise to US government liability, or whenever it would be harmful to international relations.

Dependents, tourists, and other noninhabitants of a foreign country are third parties (and therefore can generally make a claim under a SOFA) unless the international agreement, or an understanding between the countries involved, specifically excludes them.

52. Revise newly redesignated §842.61 to read as follows:

§ 842.61 Delegations of authority.

(a) Staff Judge Advocates of the Air Force component commands of the US geographic combatant commands will, within their combatant command AORs, fulfill US obligations concerning claims abroad subject to 10 U.S.C. 2734a for which the Air Force has settlement authority. Consistent with 10 U.S.C. 2734a and the international agreement, they may reimburse or pay the pro rata share of a claim as agreed, or if inconsistent with the IACA or the international agreement, they may object to a bill presented,

(c) *ANG duty status*—(1) *Active federal service*. ANG members may serve on active Federal duty under 10 U.S.C. to augment the active Air Force under certain circumstances or for certain types of duty or training (e.g., overseas training exercises and ANG alert duty). Duty under 10 U.S.C. does not fall under this subpart.

(2) *Federally funded duty.* ANG members perform specified federally funded duty or training under 32 U.S.C. such as weekend drills, annual training, field exercises, range firing, military schooling, full time unit support, or recruiting duties. Duty under 32 U.S.C. falls under this subpart for noncombat activities.

(3) *State duty.* State duty is duty not authorized by federal law but required by the governor of the state and paid for from state funds. Such duty includes civil emergencies (natural or other disasters), civil disturbances (riots and strikes), and transportation requirements for official state functions, public health, or safety. State duty does not fall under this subpart.

(d) *ANG technicians.* An ANG technician is a Federal employee employed under 32 U.S.C. 709. Tort claims arising out of his or her activity are settled under the Federal Tort Claims Act (FTCA).

74. Amend newly redesignated §842.90 by:

- a. Removing the introductory text;
- b. Revising paragraphs (a)(4) and (5) and (b).
- c. Removing paragraph (f)(1) and redesignating paragraphs (f)(2) and (3) as (f)(1) and (2), respectively.

The revisions read as follows:

§842.90 Delegations of authority.

(a) * * *

(4) The SJAs of the Air Force component commander of the U.S. Geographic combatant commands for claims arising within their respective combatant command areas of responsibility have delegated authority to settle claims payable or to deny claims filed for \$25,000 or less.

(5) SJAs of GCMs in PACAF and USAFE have delegated authority to settle claims payable, and deny claims filed, for \$15,000 or less.

(b) Redelegation of authority. A settlement authority may redelegate up to \$25,000 of settlement authority to a subordinate judge advocate or civilian attorney. This re delegation must be in writing and can be for all claims or limited to a single claim. The Chief, AFLOA/JACC may redelegate up to \$25,000, in writing, to paralegals assigned to AFLOA/JACC and, upon request, may authorize installation Staff Judge Advocates to redelegate their settlement authority to paralegals under their supervision.

75. Revise newly redesignated § 842.91 to read as follows:

§842.91 Filing a claim.

(a) *Elements of a proper claim*. A claim is must be filed on a Standard Form 95 or other written document. It must be signed by the Claimant or authorized agent, be for money damages in a sum certain, and lay out a basic statement as to the nature of the claim that will allow the Air Force to investigate the allegations contained therein.

(b) *Amending a claim*. A claimant may amend a claim at any time prior to final action. To amend a claim the claimant or his or her authorized agent must submit a written, signed demand.

76. Revise newly redesignated §842.92 to read as follows:

§842.92 Advance payments.

Subpart P of this part sets forth procedures for such payments.

77. Revise newly redesignated § 842.93 to read as follows:

§842.93 Statute of limitations.

(a) A claim must be filed in writing within 2 years after it accrues. It is deemed to be filed upon receipt by The Judge Advocate General, USAF/JACC, or a Staff Judge Advocate of the Air Force. A claim accrues when the claimant discovers or reasonably should have discovered the existence of the act that resulted in the claimed loss. The same rules governing accrual pursuant to the Federal Tort Claims Act should be applied with respect to the National Guard Claims Act. Upon receipt of a claim that properly belongs with another military department, the claim is promptly transferred to that department.

(b) The statutory time period excludes the day of the incident and includes the day the claim was filed.

(c) A claim filed after the statute of limitations has run is considered if the U.S. is at war or in an armed conflict when the claim accrues or if the U.S. enters a war or armed conflict after the claim accrues, and if good causes shows how the war or armed conflict prevented the claimant from diligently filing the claim within the statute of limitations. But in no case will a claim be considered if filed more than two years after the war or armed conflict ends.

78. Revise newly redesignated § 842.94 to read as follows:

§842.94 Who may file a claim.

The following individuals may file a claim under this subpart.

(a) Owners of the property or their authorized agents may file claims for property damage.

(b) Injured persons or their duly authorized agents may file claims for personal injury.

(c) Duly appointed guardians of minor children or any other persons legally entitled to do so under applicable local law may file claims for minors' personal injuries.

(d) Executors or administrators of a decedent's estate or another person legally entitled to do so under applicable local law, may file claims based on:

(1) An individual's death.

(2) A cause of action surviving an individual's death.

(e) Insurers with subrogation rights may file claims for losses paid in full by them. The parties may file claims jointly or individually, to the extent of each party's interest, for losses partially paid by insurers with subrogation rights.

(f) Authorized agents signing claims show their title or legal capacity and present evidence of authority to present the claims.

79. Revise newly redesignated § 842.95 to read as follows:

§842.95 Who are proper claimants.

(a) Citizens and inhabitants of the United States. U.S. inhabitants includes dependents of the U.S. military personnel and federal civilian employees temporarily outside the U.S. for purposes of U.S. government service.

(b) U.S. military personnel and civilian employees. NOTE: These personnel are not proper claimants for claims for personal injury or death that occurred incident to their service.

(c) Foreign military personnel when the damage or injury occurs in the U.S. Do not pay for claims under the MCA for personal injury or death of a foreign military personnel that occurred incident to their service.

(d) States, state agencies, counties, or municipalities, or their political subdivisions.

(e) Subrogees of proper claimants to the extent they have paid for the claim in question.

80. Revise newly redesignated §842.96 to read as follows:

§842.96 Who are not proper claimants.

(a) Governments of foreign nations, their agencies, political subdivisions, or municipalities.

(b) Agencies and Nonappropriated fund instrumentalities of the U.S. Government including the District of Columbia government.

(c) Inhabitants of foreign countries.

(d) The state, territory and its political subdivisions whose Air National Guard member caused the loss.

§842.97 Claims payable.

82. In newly redesignated §842.98, revise paragraphs (a), (b), and (c) to read as follows:

§842.98 Claims not payable.

* * * * *

(a) Is covered by the FTCA, FCA, IACA, 10 USC 2734a and 2734b, Air Force Admiralty Claims Act (AFACA), 10 USC 9801-9804, 9806, MCA, 10 USC 2733, or covered under the Military Personnel and Civilian Employees' Claims Act (MPCECA), 31 USC 3701, 3721.

(b) NGCA claims arising from noncombat activities in the U.S. are not covered by the FTCA because more elements are needed to state an FTCA claim than are needed to state a claim under the NGCA for noncombat activities. All FTCA claims are based on elements of traditional tort liability (i.e., duty, breach, causation, and damages); that is, they are fault based. Noncombat activity claims under the NGCA are based solely on causation and damages. Because NGCA claims for noncombat activities are not fault based, they are not covered by the FTCA.

(c) See subpart E for other claims not payable.

* * * * *

83. Revise newly redesignated §842.99 to read as follows:

§842.99 Applicable law.

(a) Many of the exclusions in this subpart are based upon the wording of 28 U.S.C. 2680 or other federal statutes or court decisions interpreting the Federal Tort Claims Act. Federal case law interpreting the same exclusions under the Federal Tort Claims Act is applied to the National Guard Claims Act. Where state law differs with federal law, federal law prevails.

(b) *Extent of liability.* Where the claim arises is important in determining the extent of liability.

(1) When a claim arises in the United States, its territories or possessions, the same law as if the claim was cognizable under the FTCA will be applied.

(2) *Claims in foreign countries.* In claims arising in a foreign country, where the claim is for personal injury, death, or damage to or loss of real or personal property caused by an act or omission alleged to be negligent, wrongful, or otherwise involving fault of military personnel or civilian officers or employees of the United States acting within the scope of their employment, liability or the United States is determined according federal case law interpreting the FTCA.

Where the FTCA requires application of the law of the place where the act or omission occurred, settlement authorities will use the rules set forth in the currently adopted edition of the *Restatement of the Law*, published by the American Law Institute, to evaluate the liability of the Air Force, subject to the following rules:

(i) Absolute or strict liability will not apply for claims not arising from noncombat activities.

(ii) Hedonic damages are not payable

(iii) The collateral source doctrine will not apply

(iv) Joint and several liability does not apply. Payment will be made only upon the portion of loss, damage, injury or death attributable to the Armed Forces of the United States.

(v) Future economic loss will be discounted to present value after deducting for federal income taxes and, in cases of wrongful death, personal consumption.

(c) Do not approve payment for:

(1) Punitive damages.

(2) Cost of medical or hospital services furnished at U.S. expense.

(3) Cost of burial expenses paid by the United States.

(d) *Settlement by insurer or joint tortfeasor.* When settlement is made by an insurer or joint tortfeasor and an additional award is warranted, an award may be made if both of the following are present:

(1) The United States is not protected by the release executed by the claimant.

(2) The total amount received from such source is first deducted.

84. In newly redesignated § 842.100, revise paragraphs (a), (b), (c), and (d) to read as follows:

§842.100 Appeal of final denials.

* * * * *

(a) A claimant may appeal the final denial of the claim. The claimant sends the request, in writing, to the settlement authority that issued the denial letter within 60 days of the date the denial letter was mailed. The settlement authority may waive the 60 day time limit for good cause.

(b) Upon receipt of the appeal, the original settlement authority reviews the appeal.

(c) Where the settlement authority does not reach a final agreement on an appealed claim, he or she sends the entire claim file to the next higher settlement authority, who is the appellate authority for that claim. Any higher settlement authority may act upon an appeal.

(d) The decision of the appellate authority is the final administrative action on the claim.

85. Revise newly redesignated §842.101 to read as follows:

§842.101 Government's right of subrogation, indemnity, and contribution.

The Air Force becomes subrogated to the rights of the claimant upon settling a claim. The Air Force has the rights of contribution and indemnity permitted by the law of the situs or under contract. Do not seek contribution or indemnity from ANG members whose conduct gave rise to Government liability.

86. Revise newly redesignated §842.102 to read as follows:

§842.102 Attorney fees.

In the settlement of any claim pursuant to 32 U.S.C. 715 and this subpart, attorney fees will not exceed 20 percent of any award provided that when a claim involves payment of an award over \$1,000,000, attorney fees on that part of the award exceeding \$1,000,000 may be determined by the Secretary of the Air Force. For the purposes of this paragraph, an award is deemed to be the cost to the United States at the time of purchase of a structured settlement, and not its future value.

Subpart N—[Redesignated as Subpart L]

87. Redesignate subpart N, consisting of §§842.115 through §§842.125 as subpart L, consisting of §§842.103 through §§842.113, respectively.

88. Revise newly redesignated §842.103 to read as follows:

§842.103 Scope of this subpart.

This subpart explains how the United States asserts and settles claims for costs of medical care, against third parties under the Federal Medical Care Recovery Act (FMCRA) (10 U.S.C. 1095) and various other laws.

89. Amend newly redesignated §842.104 by revising paragraph (a) and adding paragraphs (h) and (i) to read as follows:

§842.104 Definitions.

* * * * *

(a) Medical Cost Reimbursement Program Regional Field Offices. The Chief of the Medical Cost Reimbursement Program (MCRP) Branch determines and assigns geographic responsibility for all regional field offices. Each field office is responsible for investigating all potential claims and asserting claims within their jurisdiction for the cost of medical care provided by either a Medical Treatment Facility or at a civilian facility through Tricare.

* * * * *

(h) Accrued pay. The total of all pay accrued to the account of an active duty member during a period when the member is unable to perform military duties. It does not include allowances.

(i) Future care. Medical care reasonably expected to be provided or paid for in the future treatment of an injured party as determined during the investigative process.

90. Revise newly redesignated §842.105 to read as follows:

§842.105 Delegations of authority.

(a) *Settlement authority.* The following individuals have delegated authority to settle, compromise, or waive MCRP claims for \$300,000 or less and to accept full payment on any claim:

(1) The Judge Advocate General.

(2) The Deputy Judge Advocate General.

(3) The Director of Civil Law.

(4) Chief, Claims and Tort Litigation Staff and the Chief, MCRP.

(b) Redelegation of authority. The individuals described in paragraph (a) of this section may re-delegate a portion or all of their authority to subordinates, subject to the following limitations:

(1) SJAs, when given Medical Cost Reimbursement (MCR) claims jurisdiction, are granted authority to waive, compromise, or settle claims in amounts of \$25,000 or less. This authority may be re-delegated in writing with authority to re-delegate to subordinates.

(2) SJAs of numbered Air Forces, when given MCR claims jurisdiction, are granted authority to waive, compromise, or settle claims in amounts of \$40,000 or less. This authority may be re-delegated in writing with authority to re-delegate to subordinates.

(3) SJAs of single base GCMs, the SJAs of GMCs in PACAF and USAFE, and the SJAs of each Air Force base, station, or fixed installation have delegated authority to compromise or waive claims for \$15,000 or less and to accept full payment on any claim

(c) *Authority to assert a claim*. Each settlement authority has authority to assert a claim in any amount for the reasonable value of medical care.

(d) *Authority to reduce, withdraw, and restore settlement authority*. Any superior settlement authority may reduce, withdraw, or restore delegated authority.

(e) *Settlement negotiations*. A settlement authority may settle a claim filed for an amount within the delegated settlement authority. Claims in excess of the delegated authority must be approved by the next higher settlement authority. Unsuccessful negotiations at one level do not bind higher authority.

Note: Telephonic approvals, in the discretion of the higher settlement authority, are authorized.

(f) *Special exceptions.* Only the Department of Justice (DOJ) may approve claims involving:

(1) Compromise or waiver of a claim for more than \$300,000.

(2) Settlement previously referred to DOJ.

(3) Settlement where a third party files suit against the U.S. or the injured party arising out of the same incident.

91. Revise newly redesignated §842.107 to read as follows:

§842.107 Nonassertable claims.

The following are considered nonassertable claims and should not be asserted:

(a) *Claims against any department, agency, or instrumentality of the United States.* “Agency or instrumentality” includes any self-insured nonappropriated fund activity whether revenue producing, welfare, or sundry. The term does not include private associations.

(b) *Claims for care furnished a veteran by the Department of Veterans Affairs (VA) for service connected disability.* However, claims may be asserted for the reasonable value of medical care an Air Force member receives prior to his or her discharge and transfer to the VA facility or when the Air Force has reimbursed the VA facility for the care.

(c) *Claims for care furnished a merchant seaman under 42 U.S.C. 249.* A claim against the seaman's employer should not be filed.

(d) *Government contractors.* In claims in which the United States must reimburse the contractor for a claim according to the terms of the contract, settlement authorities investigate the circumstances surrounding the incident to determine if assertion is appropriate. If the U.S. is not required to reimburse the contractor, the MCR authority may assert a claim against the contractor.

(e) *Foreign governments.* Settlement authorities investigate any claims that might be made against foreign governments, their political subdivisions, armed forces members or civilian employees.

(f) *U.S. personnel.* Claims are not asserted against members of the uniformed services; employees of the U.S., its agencies or instrumentalities; or an individual who is a dependent of a service member or employee at the time of assertion unless they have insurance to pay the claim, they were required by law or regulation to have insurance which would have covered the Air Force, or their actions, which necessitated the medical treatment provided at government expense, constituted willful misconduct or gross negligence.

92. Amend newly redesignated §842.108 by revising paragraphs (a) and (b) to read as follows:

§842.108 Asserting the claim.

* * * * *

(a) MCR personnel assert a claim against a tortfeasor or other third party using a formal letter on Air Force stationery. The assertion is made against all potential payers, including insurers. The demand letter should state the legal basis for recovery and sufficiently describe the facts and circumstances surrounding the incident giving rise to medical care. Applicable bases of recovery include U.S. status as a third-party beneficiary under various types of insurance policies, workers' compensation laws, no-fault laws, or other Federal statutes, including COB or FMCRA.

(b) The MCR authority must promptly notify the injured parties or their legal representatives, in writing, that the United States will attempt to recover from the third parties the reasonable value of medical care furnished or to be furnished and that they:

(1) Should seek advice from a legal assistance officer or civilian counsel.

- (2) Must cooperate in the prosecution of all actions of the United States against third parties.
- (3) Must furnish a complete statement regarding the facts and circumstances surrounding the incident which caused the injury.
- (4) Must not execute a release or settle any claim which exists as a result of the injury without prior notice to the MCR authority.

* * * * *

93. Revise newly redesignated §842.109 to read as follows:

§842.109 Referring a claim to the US Attorney.

(a) All cases that require forwarding to the DoJ must be routed through the Chief, MCRP. The MCR authority ensures that personnel review all claims for possible referral not later than two years after the date of the incident for tort based cases.

(b) The United States or the injured party on behalf of the United States must file suit within 3 years after an action accrues. This is usually 3 years after the initial treatment is provided in a federal medical facility or after the initial payment is made by Tricare, whichever is first.

94. Revise newly redesignated §842.111 to read as follows:

§842.111 Recovery rates in government facilities.

The Federal Register contains the rates set by the Office of Management and Budget, of which judges take judicial notice. Apply the rates in effect at the time of care to claims.

95. Revise newly redesignated §842.112 to read as follows:

§842.112 Waiver and compromise of United States interest.

Waivers and compromises of government claims can be made. This paragraph lists the basic guidance for each action. (See this subpart for claims involving waiver and compromise of amounts in excess of settlement authorities' delegated amounts.)

(a) *Convenience of the Government.* When compromising or waiving a claim for convenience of the Government, settlement authorities should consider the following factors:

- (1) Risks of litigation.
- (2) Questionable liability of the third party.
- (3) Costs of litigation.
- (4) Insurance (Uninsured or Underinsured Motorist and Medical Payment Coverage) or other assets of the tortfeasor available to satisfy a judgment for the entire claim.
- (5) Potential counterclaim against the U.S.
- (6) Jury verdict expectancy amount.
- (7) Amount of settlement with proposed distribution.
- (8) Cost of any future care.
- (9) Tortfeasor cannot be located.
- (10) Tortfeasor is judgment proof.
- (11) Tortfeasor has refused to pay and the case is too weak for litigation.

(b) *Hardship on the injured party.* When compromising or waiving a claim to avoid undue hardship on the injured party, settlement authorities should consider the following factors:

- (1) Permanent disability or disfigurement of the injured party.
- (2) Decreased earning power of the injured party.
- (3) Out of pocket losses to the injured party.
- (4) Financial status of the injured party.
- (5) Pension rights of the injured party.
- (6) Other government benefits available to the injured party.

(7) An offer of settlement from a third party which includes virtually all of the third party's assets, although the amount is considerably less than the calculation of the injured party's damages.

(8) Whether the injured party received excessive treatment.

(9) Amount of settlement with proposed distribution, including reductions in fees or damages by other parties, medical providers, or attorneys in order to reduce the hardship on the injured party.

(c) Compromise or waiver. A compromise or waiver can be made upon written request from the injured party or the injured party's legal representative.

96. Revise newly redesignated §842.113 to read as follows:

§842.113 Reconsideration of a waiver for undue hardship.

A settlement authority may reconsider its previous action on a request for waiver or compromise whether requested or not. Reconsideration is normally on the basis of new evidence or discovery of errors in the waiver submission or settlement, but can be based upon a re-evaluation of the claim by the settlement authority.

Subpart O—[Removed]

97. Remove subpart O, consisting of §§842.126 through 842.136.

98. Add new subpart M, consisting of §§842.114 through 842.117.

§842.114 Scope of this subpart.

This subpart describes how to settle claims for and against the United States for property damage, personal injury, or death arising out of the operation of Nonappropriated Fund Instrumentalities (NAFIs). Unless stated below, such claims will follow procedures outlined in other subparts of this part for the substantive law applicable to the particular claim. For example,

§842.116 Payment of claims against NAFIs.

Substantiated claims against NAFIs must not be paid solely from appropriated funds. Claims are sent for payment as set out in this subpart. Do not delay paying a claimant because doubt exists

whether to use appropriated funds or NAFs. Pay the claim initially from appropriated funds and decide the correct funding source later.

§842.117 Claims by customers, members, participants, or authorized users.

(a) *Customer complaints.* Do not adjudicate claims complaints or claims for property loss or damage under this subpart that the local NAFI activity can satisfactorily resolve.

(b) *Claims generated by concessionaires.* Most concessionaires must have commercial insurance. Any unresolved claims or complaints against concessionaires or their insurers are sent to the appropriate contracting officers.

(2) In favor of the United States for damage to US Government property caused by CAP members or third parties.

(b) Unless stated below, such claims will follow procedures outlined in other subparts of this part for the substantive law applicable to the particular claim. For example, a CAP claim
